Mr. GIBBONS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this legislation would increase the authorized cost ceiling for the Bureau of Reclamation's dam safety program. The program is designed to ensure that its facilities operate in a safe and reliable condition to protect the public, property, and natural resources downstream of reclamation structures.

Since the introduction of this bill, members of the Subcommittee on Water and Power have worked to ensure that project beneficiaries are informed of the costs and status of dam safety modifications. This legislation requires the Secretary to provide the costs and the status of the modifications if the project beneficiaries notify the Secretary in writing of their interest in this information.

In addition, the legislation requires the Secretary to consider and, where appropriate, implement containment and construction management techniques and recommendations provided by the project beneficiaries regarding costs.

I urge an aye vote.

Mr. Speaker, I reserve the balance of

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this legislation. The bill amends the Reclamation Safety of Dams Act of 1978 to increase the authorized cost ceiling for the Reclamation Safety of Dams Act by \$380 million.

The bill also makes important changes pertaining to reimbursable costs. The amendment affords local projects beneficiaries an opportunity to negotiate an agreement with the Bureau of Reclamation, allowing for local participation in the oversight of dam safety project planning, design, cost containment, and other matters.

It should be clearly understood, however, that the public safety responsibilities of the Secretary pursuant to this Act are not diminished or affected in any way by these procedures allowing for full participation by the project beneficiaries.

I urge adoption of this legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. GIBBONS. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Nevada (Mr. GIBBONS) that the House suspend the rules and pass the bill, H.R. 3595, as amended.

The question was taken; and (twothirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
